

(Section 87, Rule 109)

## **Factories Act, 1948**

### **Health Register**

For use in pursuance of Special Rules in certain dangerous occupations

Part I- List of persons employed

Part II- general result of examination

This Form of Health Register is Approved by The Chief Inspector Of Factories, U.P., For Use in Pursuance of The Special Rules Under Section 87 of The Factories Act, 1948

#### Instructions

#### Certifying Surgeon

The health register is in two parts in each of which entries by the certifying surgeon are required at each visit.

In part I of the register the Certifying Surgeon should at the time of examination, enter the date at the head of one of the columns numbered 6 to 18; and in the space below opposite the name of each person examined on that date, a brief note of the condition found using signs in accordance with the scheme on footnote of the cover where lead is in question.

In part II of the register, the certifying surgeon should again enter (in Column 3) the date of examination with a statement of the total number examined on that occasion in Column 4; and (in Column 5) any certificate of suspension from work, or certificate permitting resumption of work, and particulars of any other directions given by him, appending his signature in Column 6. Occupier

It is the duty of the occupier to enter in Part I, the following particulars with regards to each person to be examined. Name in full.

The process in which he or she is employed.

Age when first employed in that process

Date of first employment in that process.

The particulars in Part I may be kept in the form of an approved card register ; but such cards not supplied. The particulars in respect of each person so employed must be entered by the occupier immediately such person commences to work in the process named.

The examination should be made at appointed times (arranged with the Certifying Surgeon), of which notice should be given to all workers concerned.

### Explanation of signs used by the Certifying Surgeon

The figure (1, 2, 3, 4) relate to the state of health so as it may have been affected by employment in lead. They have the following meaning :

(1) No Comment.

(2) Blue line, or indication thereof .

(3) Anaemia, with blue line, or other signs of impairment of health suggestive of absorption of lead.

(4) Suspension by reason of impairment of health from the effects of work in lead.

The letters A, B, C relate to the state of health apart from any effect of work in lead. The letter A means "no comment" ; B and C indicate degrees of impairment of general health ; D means suspension (for reasons other than impairment of health from the effects of work in lead ) ; and X denotes carelessness, neglect of precaution or unsuitability for work in lead.

Notice of Accidents or Dangerous Occurrence resulting in Death or Bodily Injury
